Dear Fire Departments, Officers and Fire & Life Safety Educators,

I trust everyone has had successes with the Red River Mutual/Manitoba Firefighters' Burn Fund Fire Safety Trailers as part of your Fire & Life Safety Program. The trailers were provided to mutual aid districts, who have worked together with the Office of the Fire Commissioner to provide interactive fire safety training and education to young people.

Importantly, we require all fire departments to report their usage to the OFC. The attached "Fire Safety Trailer Monthly Usage Report" needs to be returned to us via fax, or email to firecomm@gov.mb.ca

If a requirement for trailer coordination or assistance exists, please return the "Fire Safety Trailer Request" form to us via fax, or email to firecomm@gov.mb.ca

These excellent training units have been utilized for some years now and may be in need of attention. I would like to hear from all MAD's and Fire Departments housing these to provide some feedback as to the overall condition and pinpoint any issues in need of attention. Please respond in a timely manner. I look forward to hearing from you.

Regards,

Alan L. Ford B.G.S. B. Ed.
