

IMPORTANT INFORMATION!!!!

As the Manitoba Emergency Services College prepares for re-accreditation in 2014, we will be adopting and referencing curriculum and testing to the new Jones & Bartlett, Fundamentals for Fire Fighters Skills, Third Canadian Edition as well as the Delmar, Canadian Fire Fighter's Handbook, First Edition. By referencing both textbooks this will allow any of our fire departments who have purchased the Delmar, Canadian Fire Fighter's Handbook to continue using it for the next 5 years (the next accreditation cycle).

Please note: Presently all curriculum and testing is referenced to the Delmar, Canadian Fire Fighter's Handbook, First Edition. Please continue to use the Delmar text until such time the Manitoba Emergency Services College receives re-accreditation.
